

Fleece Performance Engineering, Inc.  
2400 Commerce Way  
Pittsboro, IN 46167

Fleece Performance Engineering is a leading manufacturer of aftermarket automotive and diesel performance products. With a reputation for innovation, quality, and service, our high-performance products push the limits of diesel performance technology. Awarded in 2021, 2022 and 2024 as one of the "Best Places to Work in Indiana", we are seeking motivated individuals who thrive in a rapidly expanding business environment.

**Employment: Cylinder Head Technician - Full-Time**

**Salary:** Fleece Performance offers a competitive salary and benefits package that includes Paid Time Off, Paid Holidays, Health, Dental, Vision, Life, and Long-Term Disability Insurance, and a 401k retirement program.

**Location:** Pittsboro, IN

**Essential Duties:**

- Disassemble and assemble cylinder heads
- Clean, sandblast, and paint components
- Measure and inspect components to ensure proper tolerances
- Package cylinder heads after final assembly
- All other duties as assigned

**Position Expectations:**

- Must be highly self-motivated and pro-active in completing tasks.
- Must display a positive attitude towards co-workers, customers, and vendors.
- Must be highly detail oriented and take pride in workmanship.

**Qualifications:**

- High mechanical aptitude with attention to detail
- Able to follow work instructions
- Able to lift 50+ lbs.
- Able to navigate a windows computer
- Able to use calipers and micrometers
- Strong desire to be a part of a rapidly changing organization
